

EAST CENTRAL WISCONSIN
GLUTEN FREE GROUP

Has gluten turned your life upside down?

Perhaps the East Central Wisconsin Gluten Free Group can help. ECWGFG is a support group designed to help those that maintain a gluten-free lifestyle. Whether you have Celiac Disease, Dermatitis Herpetiformis, Non Celiac Gluten Sensitivity, Wheat Allergy - it doesn't matter, we can help you navigate this gluten filled world. Spouses and loved ones are also encouraged to attend.

Educate, Motivate & Advocate

Educate people about their condition and their food.

Motivate people to maintain a zero tolerance diet.

Advocate for the common good of the entire gluten free community.

Meetings

When: The third Saturday of odd numbered months
9:00 a.m. to 11:00 a.m.

Where: Ripon Medical Center in the Green Lake Room
located in the lower level.
